

TEQUILA  
**HACIENDA  
VIEJA**

*100% de Agave*

Hacienda Vieja 100% Agave Tequilas represent the epitome of the art of tequila making. They are the creation of the Banuelos' Family, one of the most important families from the Highlands of Jalisco—the prime growing region of Mexico.

The Banuelos Family has been producing tequila since 1973. Their tequilas are produced from the Blue Weber Agave, which is estate grown by the family themselves.

The original Reposado Tequila is aged for three months in American white oak barrels. This outstanding tequila has received numerous accolades. At the Wine and Spirits Wholesalers of America competition, it was named “Best White Spirit”.

The Blanco is perfect for those who are looking for a tequila with a spicier flavor and finish. The Reposado and Blanco go through a long, state-of-the-art fermentation and distilling process. Then, during fermentation, classical music is played to ensure a harmonious transition to outstanding tequila.

We invite you to try either member of the Tequila Hacienda Vieja family, the finest that Mexico has to offer.
